TOAST CLUB

Dear Parents/ Carers,

We are looking at changing our current arrangement for children having morning toast and snacks in school and offering an early morning drop off.

The children in Key Stage 2 have toast after morning play and we are finding that this is not the best time as it is often disruptive to the morning learning time and too late if they have not had breakfast in the morning. Children in Foundation Stage and Years 1 and 2 have their morning milk and snack in class and have free fruit available to them throughout the day and this will continue.

We are proposing to run a morning Toast Club in Feastway, our school canteen, every morning from 8.15am. All children are welcome to attend and it will be a lovely session, staffed by the Eastway Team. They will be able to eat their breakfast, have a milkshake or juice, play board games, chat with their friends or catch up on their home learning.

There will be a small charge of £1 per child per day, half price reduction to those families entitled to Free School Meals or have claimed for them in the last 6 years. If you are unsure whether you qualify for the reduction, please speak to the office staff who can see if your child is listed as Pupil Premium. There will be no need to book your child in, it will be a drop in session and parents can pay on the day or for the week or term.

If you think this will be a service that you will use, please fill in the slip below by ticking the appropriate box and return to the school office before Friday 15th December. If we have enough interest we will start the Toast Club on Monday 15th January 2018 and will write to let all parents know.

Yours sincerely

Mrs Emily Morris
