

Meet The

TEACHER

Favourite Things

- My cat Amber
- Making scale models
- Learning new facts about our wonderful world. I do a lot of reading.
- Puzzles and quizzes.

About Me

My name is **Mr Sinnott**.

I have taught in schools in Liverpool and Wirral for over 15 years.

I have enjoyed teaching children in all year groups. Every pupil has given me such wonderful memories. I will do everything I can to help you to learn.

In my spare time, I like to read books on a range of subjects, particularly the Second World War. Mrs Sinnott says I have far too many books!

I play badminton and darts. I am also trying very hard to learn German and Greek. They are both a challenge but I believe if something is hard then it is probably worth doing.

I love taking part in and hosting quizzes. I once appeared on a TV quiz show but I did not win!

Mr Sinnott, September 2026

Contact

Class Dojo is the best way to contact me but if it is during the school day, please contact the school office directly.
