

Eastway Express

Community Shop

GRAND OPENING MONDAY 14TH MARCH AT 9.00AM

We are very excited to be launching our new Social Supermarket **Eastway Express** - a small community shop that is open to all. The shop will be run by a group of Eastway parent volunteers.

As things get tighter for us all financially, we know that all families are in need of a little helping hand, so how can Eastway help - Eastway Express is going to be stocking some basic household essentials at discounted prices.

Our amazing volunteers are all parents at the school and can understand the issues we are all facing trying to make our money go a little bit further.

We have a small selection of Free From products for anyone with special dietary requirements and are also trialling a selection of grab bags with quick and easy meal ideas that can be picked up on your way home.

Opening Times : Monday - Friday 9.00 - 10.00 and 3.00 - 4.00

Unfortunately, we are only able to accept payments in cash.

For our families who use SAS you will be able to use the shop when you collect your child/children.

As always if you are struggling and need a helping hand from the school then please email toolane@eastway.wirral.sch.uk and Mrs Toolan will be happy to arrange a support parcel for you and your family.
