

EASTWAY MONTHLY NEWSLETTER JUNE 2025

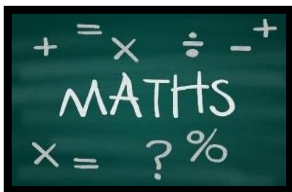

Dear Eastway families,

Welcome back to the final half term of the school year. I would like to thank you all for your attendance at the family picnic and sports day, I hope you all enjoyed yourselves. The winners of sports day were the Red Team- so congratulations to them! If you haven't already, please check out all our photographs of the day on X (Twitter).

Please take a few minutes to look over this newsletter as the end of the school year is always a busy time. You will also be notified of other activities and events as they are confirmed.

I end my message with news that Mr Haughey will be leaving us at the end of the summer term to take up the position of Headteacher in a new school. All the staff and children will miss him dearly, but we wish him well on his new adventure and thank him for all his hard work and dedication to Eastway.

Best wishes, Mrs Benson

Year 4 Multiplication Table Check Tests

Year 4 will be participating in the statutory multiplication tables check (MTC). This is a on-screen check consisting of 25 times tables questions to check if they can fluently recall their times tables up to 12. Please make sure that your child is accessing Times Table Rockstars and practising their times tables ready for the MTC this month.

Phonics Screen

In Year 1, the children will be completing their Phonics Screening Check during the week 9th - 13th June. The Phonics Screening Check (or Phonics Test) is a test to assess and show how well your child can use and apply the phonics skills that they've learnt up to the end of Year 1 to read real and 'alien' (nonsense) words. This assessment takes place every year. The Phonics Screening Check is also an opportunity for the staff at Eastway to identify students who need help with their phonics moving into Year 2. The children will sit their check with Mrs Brown. At Eastway, we aim to ensure every child is a reader and to do this in a way that promotes a love of reading. If you have any questions or queries, please ask the Year One team and Mrs Brown will aim to support you.

Stay Sun Safe!

Now the warmer weather is finally upon us, can you please ensure you apply suncream to your child before school and provide him/her with a sun hat and water bottle each day.

Summer Fair

We are getting closer to our annual Summer Fair on **Friday 11th July from 3:15pm onwards**. In preparation for this, children can come in non-uniform on **Friday 4th July** and in return, we are asking them to "Bring a Bottle" for the tombola stall! We are still looking for stall holders and prize donations. If you would like to hold a stall, please contact the main school office. Stalls are £15 non-refundable deposit and any prize donations would be very much welcome! We have lots of exciting games planned and of course our biggest raffle to date! Raffle tickets will be available throughout June and July on the school gates at drop off and pick up time. Keep your eyes peeled for posters with details of the amazing prizes, coming soon!

Toast and Swashbucklers' Club

If you would like your child to attend Toast or Swashbucklers' club, please book via ParentPay in advance. If it is less than 24 hours' notice, then please still book by calling the school office. We currently have children turning up that are not booked so our numbers are incorrect; we must ensure we have enough food ordered and staff to safely cover the groups.

Communication

A reminder that if you have any concerns about your child, you should always contact their class teacher in the first instance. They have class email addresses that they will pick up between 8:30am and 4:15pm daily. Please note that if it is regarding absence from school then you need to let the school office know 0151 677 1235 option 1.

All Change Day (Transition Day)

On **Wednesday 2nd July**, Year 6 pupils will be visiting their new high schools and all other year groups will be spending the day with their new class teachers. Our teachers are working hard behind the scenes to share information, assessments and plans for next year and our secondary colleagues are visiting us to get our lovely Year 6s ready for their move too! The SEN team are also reviewing transition plans for any children needing additional support in the move after the summer.
