28th September 2020

Dear Prospective Parent/Carer

I have great pleasure in inviting you and your child to our school for an individual guided tour. Please note, due to Covid-19 restrictions, only one family group at a time can be accommodated, per tour. The tours will run daily from 3.45pm until 5.30 pm.

During the tour, we will outline why we are so proud of our school, particularly our examination results, our inclusive ethos and our OFSTED reports. The reports recognise that we have created an exceptionally caring, supportive and happy environment which enables all our children to achieve their full potential. We will also cover all the important issues with you, as parents, will be considering when making the decision regarding your child's secondary education.

You will also be provided with other information about the school, the courses on offer and the various out of school activities which are available to pupils. My Senior Staff and I will be available to answer any questions you may have.

If you do choose to come to school for a tour, I would be grateful if you could be considerate and park in our staff car park and at the Woodchurch Sports Centre rather than on Carr Bridge Road or surrounding side roads.

Please note that tours during the school day are open to parents/carers only, and not children of school age.

If you would like to visit us, please ring my PA, Mrs S Bennett (Tel: 677 5257 ex 227) who will be happy to make the arrangements.

Yours sincerely

R Phillips
