16th January 2020

Dear Parents and Carers,

Reception, Year 1, Year 2 and SCD1

How to help your child in Maths Parents' Workshop - Wednesday 29th January 2020

We know that as parents and carers you want to support your child with their maths, but you may be unsure of the best way to help them. This can be especially difficult if you are not very confident in maths yourself. We would love you to come along to Eastway Primary for an adults workshop to develop your skills and confidence in this area.

The workshop will be held by Miss Coverdale our Deputy, she will give you ideas and activities that you can do at home with your child that will make a big difference to their maths. We will begin the session discussing ideas you could try with your children and then invite the children in to have a go at some fun activities together. I promise I won't ask you to answer any maths questions in front of everyone!

The workshop will be held at 2pm - 3pm on Wednesday 29th January 2020.

Please do come along, we would love to see you there.

Yours faithfully,

Miss Coverdale
Deputy Head and Year 6 Class Teacher

Reception, Year 1, Year 2 and SCD1

How to help your child in Maths Parents' Workshop

Name of child: _____ Year group: _____

We request would like to request _____ places for the Reception, Year 1, Year 2 and SCD1 parents' workshop on how to support your child in maths.
