About Me

My Name is **Miss Hardisty**, and I am absolutely delighted to be your teacher! We have so many exciting things to learn, explore, and achieve together.

A little about me—I've been teaching for six years and have had the incredible opportunity to work in the Wirral, Liverpool, and even as far as South Africa. I studied at Edge Hill University in Ormskirk, where I majored in science and minored in physical education.

I now live in Upton, and when I'm not in the classroom, you'll likely find me out on a walk with my dogs or spending quality time with family and friends.

Here are a few fun facts about me:

- As a teenager, I toured around America representing England lacrosse.
- I have five dogs who keep life exciting!
- I love baking, my favourite thing to bake is double chocolate chip cookies!
