Message from the Chair of Governors

Dear Eastway Families,

It is with sadness that we write to inform you that we will be losing our highly committed and successful Headteacher at Easter after 8 years here as she moves to a more senior post elsewhere. However Governors hope she is justifiably proud of her many achievements in improving the school and in particular supporting you and your children and to positioning Eastway as a hub of this community. Last year saw our popular Family Centre launch as a Wirral Family Hub, we have also built extensive Early Years provision and have four Specialist Resource Provision Bases for pupils with SEND. Mrs Morris will be greatly missed but we know that the impact of her work at Eastway will go on long after her departure.

Governors are therefore now seeking to appoint an inspirational and experienced leader to ensure that the significant improvements made to the school over the last few years are maintained and built on, for the benefit of our wonderful children and dedicated staff. We also want to make sure that you as families feel reassured that our school will continue to go from strength to strength.

When we have appointed a new Headteacher, we will write to let you know and share leaving details for Mrs Morris and the starting arrangements for our new Headteacher.
