Please come into school via the gate that you drop your child off at, members of staff will ask you to sign in and take you to your child's class with them. Class teachers will then share their Year Group Expectations and how you can work together this year to support your child with their learning and enjoy all the fun experiences that we have planned. Your child will stay with you for this session in their class and it is an opportunity to see their classroom and speak with staff. Please note you are responsible for your child during this time and may take your child home at the end of the session.

Lunar Base, Nursery Class & Explorers

Once the children have settled into school we will be holding a 'Stay play and learn together' session where you can find out about class routines and meet the team. Mrs Billington will be in touch.

We look forward to seeing you then.
