Dear Parent/Carers

We have been contacted by local residents concerning the parking and obstruction of driveways around school at drop off and pick up times. We appreciate that this is a busy time and you are all rushing to get your children to school on time however, we still need to be considerate of our neighbours.

We are even getting reports that cars are stopping over dropped curbs. Blocking or obstructing any dropped kerb is **unlawful**, even if you are only stopping for a child to jump out of the car for a couple of minutes, a vehicle doesn't even have to be fully blocking the dropped kerb to be committing a parking contravention.

We have local residents who need access at all times to their drives, be it that they are disabled and awaiting a carers visit or just simply trying to get to work themselves and this is causing unnecessary ill feeling with our neighbours.

As you can imagine this situation can be very frustrating for our local community and it could easily be avoided by drivers being a little more considerate. Community and respect is a big part of Eastway Primary life, so I hope you appreciate how important it is that we have a good and happy relationship with our neighbours.

Kind regards

Mrs Emily Morris
