11+ Arrangements 2019

Dear Parent/ Carer,

We have been informed, by the Local Authority, that you have registered your child for the 11+ test which will be taken in September 2019. In order to prepare your child for this test, we will be holding a familiarisation session with the children on Tuesday 9th July.

After the session, the children will be able to take the familiarisation information home to use over the summer. There is an electronic version of the familiarisation leaflet, which we will be using with the children, available online at:

www.wirral.gov.uk/schooladmissions

The organisation which produce the 11+ test, The University of Durham, advise that there is no further preparation required and that children should complete their usual school work and continue to read books etc. as they would ordinarily do.

If you have entered your child for the selection tests for Upton Hall, St Anselm's College, or any other selective school, information about their tests is available on the schools' websites. Please also be advised, that in order for your child to sit the 11+ test in September, you must complete the attached Test Identity form. This form needs to be filled in as stated and returned to school for Mrs Morris to sign by Friday 5th July. Once your child's form has been signed, it will be returned to you to take to the 11+ test in September.

Yours sincerely,

Mrs Emily Morris

Headteacher
