*Another wet but wonderful week at Eastway!
 We were delighted to welcome three new children into our school this week and we look forward to welcoming a further three next week. It is lovely to know how popular our school is and how we are attracting new families to join us at Eastway. We know that they will settle well here and they will be made to feel incredibly welcome by everyone.*

We have also welcomed our five new teachers to our staff meeting this week and are looking forward to them meeting you and your children in the coming weeks.

SCD1 Visit to New Brighton

What an amazing day our SCD1 pupils had in New Brighton this week. They were so excited to be greeted by 'real' pirates and had fun building their own boat from driftwood and digging for buried treasure. Their behaviour was exceptional once again!

Happy 80th Eastway Primary School

This year Eastway will celebrate its 80th Birthday! We will be having a party when we return in September and will be inviting past pupils and staff in to school. It is going to be a wonderful celebration of the history of our school and we look forward to sharing memories of Eastway.

After School Club

We have had a few children join us this week for our after school club sessions. We have tried to make this as affordable as possible for our families. Eastway staff, who are all familiar to your children, will run all sessions. If you are interested in a place for now or for September, please speak to the School Office.

Gardening Club

The children celebrated with Mrs Bell this week after receiving their new equipment and harvesting their first crops! The salad was delicious and they were so incredibly proud of what they had grown. Well done gardening club!

Wirral Coastal Walk

A number of our parents are taking part in the Wirral Coastal Walk this weekend to raise funds for school. We wish them good luck (and comfortable shoes!) and thank them for their ongoing support.

Free School Meals

If you have had a change in circumstances or are currently entitled to certain benefits, your child may be eligible for free school meals! This is not just access to a free school dinner, your child would benefit from additional access to other provision through the funds allocated to school. If you think you may qualify for free school meals please speak to either Mrs Dennett or our school office team.

Parental Rights

It is a requirement that all parents with Parental Responsibility (PR) are entitled to equal access to information regarding their child's education. It is not the school's responsibility to become involved in conflict between parents. All staff act in an impartial manner and are aware of their statutory responsibilities when working in a school and dealing with sensitive information. All letters that are sent home, and any information for parents/carers, is uploaded onto our school website and is therefore accessible to all. We also have our school Facebook page and Twitter, so you can also see what is going on in school via social media. We understand the difficulties of having shared access with children and are sympathetic with the frustration that you may have regarding communication and information sharing and work hard to make this easier for all. All parents are entitled to copies of their child's end of year report and an opportunity to come in for parents' evenings. Please ensure that the school office have the most up to date contact details for you and if there are any changes please inform us at your earliest convenience.
