23rd March 2021

Dear parents/carers,

**Y6 Outdoor and Adventurous Activity Week
17th - 21st May 2021**

We were all really disappointed that we weren't able to go to Y6's traditional 3-day residential trip to Colomendy this year, but we are really determined that your child will still have a final year at Eastway to remember, full of adventure and happy memories! We may not be able to stay away from school overnight, but we have planned an exciting, alternative week of activities so that they don't miss out.

We will hold some of these events in school and others we will travel to. The activities for the week include:

- **Monday: Bush crafts on our school field, including shelter building and a campfire**
- **Tuesday: Rock climbing at the Boulder Hut, Ellesmere Port**
- **Wednesday: Harry Potter day (bring your broomsticks!)**
- **Thursday: Delamere Forest, including activities at Go Ape**
- **Friday: Visit to Liverpool, including water sports at the Albert Dock**

We think this will be an incredibly fun and memorable week that your child will never forget. We use these activities to develop teamwork among the children, grow their resilience and see their confidence soar as they do things they never believed were possible.

Eastway Primary and the Home School Association will heavily subsidise this week of activities, as we believe it will be invaluable to your child's development, however we are asking all families for a contribution of £30 towards this week of activities. This should be paid through ParentPay and can be paid in one amount, or in smaller instalments if that better suits your finances.

Please be aware that these activities are planned in line with the government's road map for coming out of the lockdown and will follow the guidance at each stage. However, if the restrictions or dates change, we may need to change or postpone activities.

We will provide further information nearer the time regarding what the children should wear and timings for each day.

If you have any question, please email year6@eastway.wirral.sch.uk
