## What does a Designated Safeguarding Lead do?

The role of the Designated Safeguarding Lead was specified in the Children Act 2004 and ensured the every organisation had a “named person” for safeguarding children and young people. Prior to that, the role had frequently been known as the Child Protection Officer. The Designated Safeguarding Person has a responsibility at both a strategic level within the organisation and on a day to day basis.

## Key Aspects of the Designated Lead role includes:

- Making sure all staff are aware how to raise safeguarding concerns
- Ensuring all staff understand the symptoms of child abuse and neglect
- Referring any concerns to social care
- Monitoring children who are the subject of child protection plans
- Maintaining accurate and secure child protection records
