Year 6	97.14	98.57
SCD1	97.50	98.75
SCD2	96.67	95.00

Such an amazing week full of exciting experiences and curriculum enhancements! We have had technology week, Chinese New Year, Internet Safety, all alongside our usual daily activities and learning. The children have been exceptional and all of our visitors to school have commented on their engagement and good manners and behaviour. Well done Eastway - you make us so proud! Year 5 have been telling us all about Spaceport and Reception loved their visit to Liverpool Museum, especially the train ride! Thanks again to our wonderful dedicated team who ensure that your children have the best possible experiences in school.

Mrs Morris

Attend Today, Achieve Tomorrow

Charity Night

The Fundraising Evening was a great success and the group raised an amazing £2600 towards the school sensory gardens. Thanks again for the organisation and support of this event and we look forward to seeing the plans develop in the coming months.

Technology Week

There has been lots of excitement, focus and perseverance going on at Eastway this week as the children have developed their technological skills during Technology Week linked to Chinese New Year. From folding and cutting skills to making rocking pigs and dancing Chinese dragons; weighing, measuring and mixing to make icing; testing the strength of folded and rolled paper to hold up a bridge, to researching and designing a Bolang Gu. We have even managed to walk on the Great Wall of China with the help of the green screen in ICT. Well done Eastway Design Technologists!

Year 2 SATs Workshop

As you know, your child has their end of key stage SATS assessments in May. We would like to invite all parents and carers to attend a Y2 SATs workshop at 2:30pm on Thursday 14th February 2019. The workshops will be led by Miss Dalby and will cover what the tests will entail and how you can help your child prepare. There will also be an opportunity to ask any questions you may have and gain a better understanding of the end of key stage expectations.

Internet Safety

We have been focusing on staying safe when using the internet and our electronic devices. We had in depth class discussions about what we should do when presented with certain situations that make us feel uncomfortable and used our advice wheel to help with our decisions. We then discussed as a group what the right thing to do would be. Some classes made a recipe for a better Internet so we know how to make the Internet a safer, more enjoyable place to be.

Chinese New Year Celebrations

Our children had a wonderful time on Tuesday celebrating the Chinese New Year. This coming year is the Year of the Pig. We learnt all about the ancient art of Thai Chi with Mr Costaine, from Wirral Multi Cultural society. We took part in some exercises and watched a fan and sword demonstration. We also sampled Chinese food kindly provided by the Healthy One in Moreton. Don't forget the celebrations will be continuing in Liverpool over the weekend.

Book Week

The week commencing 4th March is Reading Week. We will be hosting a number of activities to coincide with World Book Day on Thursday 7th March and children will dress as their favourite book character, we look forward to seeing all the amazing and creative costumes. We will hold an affordable Book Fair again too and would welcome volunteers to help us with this. There will be more information to follow in next week's newsletter.

School Clubs

Just a reminder that there will be no clubs next week as it is the last week of term. The current clubs will restart on Monday 4th March and will run until Friday 22nd March.
