Dear Parents/Carers,

Year 5 Vikings and Anglo-Saxons Project

During this term, Year 5 have been learning about the Vikings and Anglo-Saxons. As part of this we will be designing and making our own Viking shields! This is a very exciting opportunity for the class but we need your help please. In order to create our shields we need a lot of large pieces of cardboard. If possible, we are asking that some large pieces of cardboard could be sent in with your child. We can then use these to create our shields.

We will be starting to make our shields from **Monday 8th July**, therefore all cardboard will need to be brought in before then.

Here is an example of the size our Viking shields that we will be making.

Thank you for your help and support.

Yours sincerely.

Miss Kershaw
