### Parent Class Reps

Thank you so much to our Parent Class Representatives who met with Mrs Morris and Miss Coverdale on Thursday. It is beneficial to be able to celebrate successes and discuss ways that we can continue to improve the school and work with our families. We still have vacancies for representatives in Year 5 and Year 4. If you would like to be a class representative for any of these classes, please call the school office for further details. If you have any questions or feedback, please speak to your class rep, so they can share these at the next meeting.

### Behaviour towards Staff

It is incredibly disappointing to hear, yet again, that there have been a number of incidents where parents/ carers have been abusive and aggressive towards members of staff. If you have a concern or complaint please raise this in a calm and constructive manner with the Headteacher so that your concerns can be addressed effectively. We are seeking further advice on how to manage this unacceptable behaviour and will continue to take action against parents displaying such negative behaviour. **Our staff come to work to care and education the children and it is important for all members of our staff to be treated with courtesy and respect.** In line with the rest of the local authority and to ensure this is fully observed, we have a **Dignity at Work and Zero Tolerance Policy**. Aggressive or violent behaviour towards our staff or any member of the public within our school premises will not be tolerated under any circumstances. Anyone giving verbal abuse to members of staff, either in person or over the telephone, will be sent a letter from the Headteacher advising that this behaviour will not be tolerated. Any future violation of this policy will result in further action being taken. We feel sure that you will understand that proper behaviour is absolutely necessary for our staff and children and that non-observance will not be tolerated. We work hard to create a calm, orderly and positive environment for the children of Eastway and hope that you will work with us to ensure that this continues and that the school rules and decisions made by the leadership of the school are adhered to and respected.

### Summer Fair

Our Friends of Eastway are really struggling with support from parents/ carers this year and it is with great sadness that I inform you that if we do not have enough help in organising the Summer Fair for this year, then it will not be able to go ahead. Friends of Eastway will meet next Wednesday morning at 9am, if you can spare anytime, please let them know. Thank you.

### Shared Reading Partnership Course

Please do not forget to return your slip by Wednesday 19<sup>th</sup> June, if you would like a place of the Reading Training that Miss McShane will be running. Copies of the letter are available on the school website or the main school office.

### End of Term Closure

Please note that we will be closing on the last day of term Wednesday 24<sup>th</sup> July at 2pm, as usual. A letter will be sent home with the children a week next Friday.

### Eastway Video!!

On Monday 17<sup>th</sup> June, we will be having Hi- Impact in school to make a promotional video for us to celebrate all the amazing things we do at Eastway. Make sure that your children are dressed in full uniform and smart and presentable to ensure that they stand a chance in being selected for the video shoot.

### Medical Tracker

Our new electronic recording and monitoring programme for accidents and first aid is fully up and running now. If your child has a bump or fall in school, you will receive an email notification. If your child has had a bump to the head or face, we will still call home to let you know.

### Morning Caretaker

Mike Hodgson, our new caretaker, has been working incredibly hard in ensuring that our site is secure and safe each morning. He is out and about every day so please take the time to chat with him and make him feel welcome at Eastway. He will be monitoring the parking situation outside school each morning as we have had complaints from local residents, a near miss incident of a child almost being hit by a car, members of staff blocked in the car park and delivery drivers unable to gain access to the school. We hope you will continue to support the school by parking sensibly and courteously.
