7th February 2018

Dear Parents / Carers,

Following our exciting Nepal assembly this week, we will be holding an own clothes day on Friday 16th February to raise money for Action Against Hunger. Steph Whittingham, a friend of the school, will take our donations with her when she travels to Nepal in April. She will be working with the charity to provide nutritional support, safe water and sanitation. We are asking for a contribution of 50p. When she comes back from Nepal, Steph will come and show us how the children's donations have helped people there.

Poverty and hunger are major issues in Nepal, due to problems like rising food prices and climate shocks like droughts, floods and landslides. Nearly 3.5 million people there struggle to secure regular access to adequate food. Action Against Hunger has already provided 4,000 individuals with nutritional care and they aim to eradicate hunger by 2030. Thank you for your support,

Miss Whittingham
Y4 teacher (and proud sister!)
