6th November 2020

Dear parents/carers,

Photographs

We are delighted to let you know that our school photographer will be here on Tuesday 17th November to take pictures of your children.

Due to COVID guidelines, we will not be able to mix siblings to have family photographs on this occasion. However we have worked with Academy Photography to use the individual photographs of your children to make family portraits for you. As you can see from the example below, they do look lovely. The photographers will also offer a wide range of other options for you to choose from.

We hope you understand that as we always ensure bubbles are kept separate in school, this is our safest and only option.

To reassure you, the photographers will wear face coverings and carry hand sanitiser. They will take photographs in each bubble and will clean all equipment used between each bubble throughout their visit.

When the photographs have been taken on 17th November, we will send home information on how to order.

To order, please state the quantity required next to the options above and return this form and the image proof for each image to be included on your "family bubble" print in the envelope provided. Other items can still be purchased in addition to "family bubble" prints by filling out your requirements on the image proof as normal. If ordering items from multiple proofs, please clearly indicate which images are to be included on your "family bubble" print.

This product is not available to order online. Any queries please call us on 01782 566100.
