

To children and parents of SCD2,

My name is Miss Cinel. I am your new teacher in SCD2 and I am so excited to be here. We had a fantastic start before the half term and we are now ready for Summer 2.

My Roles and Responsibilities

- SCD2 Teacher
- Designated Teacher for Looked After Children

About Me

I am from Liverpool and I have been teaching for 10 years now! I taught in Dubai for 6 of those years and joined Eastway this year after moving back home. I am passionate about education and helping children prepare for the future. I support LFC and my favourite colour is red. Spending time with my family and friends is important to me and I love reading in my spare time too.

What you can expect from me

I am really looking forward to getting to know you all even more than I already do and discovering your passions. I love teaching and together we will make sure we are be resourceful, reflective, resilient learners who work well together. I like being creative so you can expect many exciting learning activities in my class, as well as lots of challenge! I will always do my very best to help you learn so I expect you to work hard in return. I will provide you with a safe learning environment where everyone is free to make mistakes.
