

# Eastway Primary School Acceptable Use Agreement KS1

At Eastway we make sure that everyone feels safe in school at all times. Staying safe when you are using the computer, mobile devices and on the internet - whether at home or at school - is very important too. These rules will help to keep you safe. Your teacher will explain them to you and you can discuss them in class. Once you have understood them, you can put your name at the bottom of the page and we will give you a copy to take home.

- I will only use the internet or computer when a teacher or adult is with me
- I will only use my own login and password and I will not tell anyone else what it is
- I will not look at or delete other people's files
- I will not bring in memory sticks from home without permission
- If I see anything that upsets me, I will tell an adult
- I will not give out any details about me - like my name or address
- I know school will check my computer and be able to see what I am doing and what sites I have visited
- If I break these rules I know I may be stopped from using the internet and/or computers
