**Lunar Base Summer Games Morning
- Thursday 22nd May 2025**

Dear Eastway Families,

We are excited to let you know that the children in Lunar Base will be taking part in a **Summer Games Morning on Thursday 22nd May 2025**.

This fun-filled morning will involve a variety of outdoor sporting activities (weather permitting), so we kindly ask that children come to school dressed in suitable **sportswear** - a t-shirt, shorts, and trainers.

As the games will be held outside, please ensure your child comes to school with the following:

- Suncream already applied or in their school bag
- A sunhat
- A water bottle

We're looking forward to a fantastic morning of active fun and don't forget to take a look at our school Dojo to see the day in action!

Thank you for your support.

Warm regards,

Mrs Lowe
Lunar Base Teacher
