January 2018

Dear Parents and Guardians,

We would like to invite Parents and Guardians to join us on a Friday afternoon to listen to the children read. Giving children one-to-one attention with their reading is so important for their reading development and fluency.

At Eastway, we know how important it is that children develop a love of reading and listening to stories. In F2 we use all sorts of stories to enhance their play, speech, imagination, writing and exposure to the world.

We want parents and guardians to come and join us in the school library at 2.30pm on a Friday and listen to a number of children read one at a time. All the class will be in the library at that time and each week, half of them will read with a parent or guardian. There is no guarantee that you will read with your child. The idea is that the 15 children reading each week will be listened to by any parent or guardian.

At this stage, we would like to know whether this is something you are interested in doing. When we have a list of available parents, we will contact them with the details. Please could you indicate on the form whether you are available to help? It could be that you won't be able to come every Friday, in which case, please indicate that you 'might' be able to help out and we can discuss the details. We appreciate you may be busy but any help at all is greatly welcomed.

Thank you,
Mr Davis
