Year 4	96.80%
Year 5	93.75%
Year 6	96.80%
SCD1	98.75%
SCD2	100%

Weekly News

We come to the end of another busy week in the final run up to the summer holidays. Well done to all of our Year 1 pupils who have now completed their Phonics Screening checks. They all performed so well, we are so proud of them, especially our SCD1 pupils who also tackled the test! We also have an external moderation of our Year 6 writing and our Foundation Stage Classes and it was wonderful to showcase all the wonderful work completed by our pupils and the super progress that they have made. Our class teachers are very busy completing assessments and writing your child's end of year report. We hope you are looking forward to reading them and seeing how your child has progressed this year. Reports will be sent home on 5th July with the September Staffing list.

Attendance & Punctuality

Just a reminder of the importance of children arriving at school on time. Being late to school has a huge impact on the child, class and teacher. Most of our children who are regularly late show that they are uncomfortable entering class after the lesson has started and their learning is affected. It is parents/carers have a legal duty to ensure that their child is in school, on time and ready to learn. We will be monitoring lates and more than ten lates will result in the school taking further action, as we do with attendance.

Eco Warriors

Our Eco Council have been looking at items on the agenda and current affairs. We are growing increasingly concerned about the amount of plastic waste produced and are looking at ways in which we can reduce this. They have put a stop to the use of plastic disposable cups used by the school kitchen and are investigating alternative options for straws and plastic milk bottles. We have also been alarmed by the drop in bee population and the impact that would have on us. They will work with HYPE to find plants that attract bees and look at planting them over the next few weeks. We will keep you updated.

All Change Day Plans

On Wednesday 11th July we have "All Change Day" at school. This will be the day that our Year 6 pupils go for their induction day at their new secondary school, whilst the other year groups spend some time in their new classroom with their new teacher for next year. We will not be holding Meet the Teacher sessions on that day, they will be held during the second week in September.

End of Term Celebrations

On Monday 23rd July we will be having a Pirate Themed Day of celebrations for the children. We will be doing fun arts and crafts activities and even a visit from some pirates, with a pirate picnic. On Tuesday 24th July school will be closing at 1.30pm to start the Summer Holiday and a letter will be sent home with further details in the coming weeks. The children are allowed to bring their favourite toy into school for the day as it will be a day of fun for the children.

Dear Parents and Carers,

We have Sports Day booked in for Tuesday 26th June. We have changed the format this year, following feedback from parents and children and are hoping that it will be a fantastic active day that celebrates all children's sporting abilities and recognises everyone's efforts. The most exciting news is, that we will be using our Eastway School Field!!

The children will be competing in their House Teams: Pinsent (Yellow), Lewis (Red), Hoy (Green) and Adlington (Blue). The children are all placed in House Teams and should be aware, if they do not know, please speak to their class teacher. They will need to come to school in the morning wearing trainers and a T-Shirt in the House Team colour, children **MUST NOT** wear football kits. They will change in to their PE shorts in school.

The children will compete in team sports during the morning session and gain points for their House Teams and in the afternoon there will be races, followed by a whole school presentation. A running order will be available on the day. Please note that Early Years (2 year olds and F1) will come out and join us for a short time in the morning and their afternoon race will be at 2pm.

We would like to invite parents in for a picnic lunch from 12. You will be able to sit with your children and enjoy a family picnic on the Key Stage One Playground. Children without family members will eat with school staff so won't be left out. The bell will ring at 1pm for children to line up and return to their class for registration. Parents will then be seated ready for the races on the field and the children will come out class by class and sit on the opposite side of the track. Please can I ask that parents and carers do not have contact with the children during the afternoon session. There are an awful lot of races to get through and we need the afternoon to run smoothly. At the end of the day, class teachers will return all children to their classes and they can be collected from there. Please do not take children directly from the field, we have a duty to ensure that all children are safe and accounted for and appreciate your cooperation with this.

We are happy for photographs of children to be taken at this event but I would urge parents and carers not, under any circumstance to share images of other children on social media.

We hope it will be a fun day and that you will enjoy it too.
Many thanks,

Mrs Emily Morris
Headteacher
