Aspirations Week!

24th July 2019

Dear Parents and Carers,

When we come back in September we will be having Aspirations Week. This will be an opportunity to launch the new school year thinking about our wishes and hopes for the future. The children will set themselves targets for the year ahead and consider long term goals and what they would like to be when they grow up!

There will be an opportunity for parents/ carers to join us for a coffee morning on Wednesday 4th September where we will have people in for advice and support on careers, training courses and setting your own goals

There is a time table of events on the reverse of this letter, we are certain it is going to be an amazing week and we cannot wait to see what everyone will dress up as on the Friday!

Kind regards

Mrs E. Morris

Headteacher
