EASTWAY SUMMER HOLIDAY PROVISION

Dear Parents/Carers

We are delighted to tell you that we will be offering three weeks of summer holiday activities again! We want even more children than ever attending and have paid extra to bring you an amazing range of activities for the full family. We have secured funding for the DfE HAF (Holiday Activity & Food) and have worked with Edsential and Wirral LA to put together a programme of activities to support our children and families when school is closed.

We will be offering 8.30 till 3pm childcare for £15 per child for our working families (to include all food, drinks and activities) or a 10am till 2pm activity session in school (this also includes a daily lunch, snacks and drinks) for eligible families. We will be bringing external companies and coaches in to support our Eastway staff in running all the activities, family fun sessions and even a FULL SIZED SWIMMING POOL! Free nutritious lunches will be provided every day, Neo Community will also provide Home Cook boxes and a FREE slow cooker for our free school meal families too.

We are so excited to be able to offer this to our pupils and families at the end of such another difficult year. Here is a list of all the activity sessions below. You can only choose one session per day and numbers will be limited to 30 in each session. To book your child's place in the activities or childcare, please use this link: <https://forms.gle/e6ydTasvRvDbDxd7>. If we do not contact you, please assume your child's place is booked.

Pick up and drop off is at the Family Centre and all holiday activities will take place that side of school. If your child attends all sessions, you will be entered into a prize draw to win a family day out together. We are incredibly lucky to be able to offer you and your family this FREE support provision and are grateful to Neo Community for working in partnership with us on this again and Edsential who have allocated the DfE funding to us too.

Our Family Fun Days will be on Friday 30th July and Friday 6th August and include amazing activities available- 100ft Inflatable Assault Course, bouncy castle, hot dogs, face painting, sports day activities, popcorn machine, animal handling, cookery demonstrations, zorbing, giant footgolf.

We still have COVID19 restrictions and preventative measures in place, and by bringing your child to school at this time you agree to adhere to the terms and conditions that are in place at this time. Things are currently under review so we will send more information over the time to include more information about the swimming times and Family Fun days.

We will be running for the first three weeks and Leasowe Community Group will run in week four and MODS (Making Our Day Special) Project for our Year 5 & 6 children. We will be sharing information on our social media. Our Family Centre will be open if you need to access the social supermarket during the holidays.

Kind regards,
Mrs Morris
