Grammar School
SHAPING FUTURES

Dear Parent/Carer,

I am pleased to be contacting you to share an exciting opportunity for your child/ward. Some of our year 12 students will be mentoring year 4 students from Eastway Primary school to support them through years 4, 5 and 6, helping them prepare for secondary school.

Our Shaping Futures Programme at West Kirby Grammar School is a three-year initiative that aids the transition from primary to secondary school, offering additional support in Maths and English. The year 4 children will also enjoy wellbeing and personal development activities and they will get exclusive access to the Skywards Kids website to explore 11+ materials, helping them decide if they would like to take the 11+ test in year 6. We hope your child/ward will have a great time learning, having fun, and finding inspiration by spending time with their mentors.

The sessions will be every two weeks after school on Thursdays. Transport is available if needed – please specify your request on the attached consent form.

If you would like your child/ward to take part, please fill out the attached form and return it to Mrs Morris.

For any questions or more information, please contact Miss Ellis at shapingfutures@wkgs.net or call 0151 632 3449.

We look forward to working with you and your child/ward.

Kind regards

Miss G Ellis
Assistant Headteacher (Personal Development)
