Thursday 27th June

Learn to Scoot Session 'Scooting STARS'

Dear Parent/Carer,

On Tuesday 9th July, we will be holding learn to scoot sessions called 'Scooting STARS' in school.

The sessions will be run by Wirral Council's Road Safety Team and will take place during the school day. There will be a chance for the children to practise balancing, braking and general handling skills through a series of fun games.

Children will need to bring their scooter into school on Tuesday 9th July to be able to take part. It is important that all scooters are in good working order.

This means Scooters with:

- good working brake(s).
- working wheels.
- a frame with no cracks on the welded joints.
- secure handlebars, bar ends and bar plugs.
- No electric motor (this session is for manual push-scooters only).

This is part of the curriculum and will be delivered during the school day so we will not need parental permissions but if you have any questions, please get in touch. You will need to provide a scooter and helmet for your child. If you do not have access to one, please email the school office. If you are happy to share scooters/ helmets with other pupils in the class, also let us know.

Yours sincerely,

Louise Codman
