11th January 2024

Dear Year 6 Families,

Year 6 Educational Visit to the Western Approaches War Museum - Monday 12th February 2024

On Monday 12th February, children in Year 6 will be visiting the Western Approaches War Museum in Liverpool. This will be to revisit important knowledge that the children learnt last term when they investigated World War II, whilst enhancing their understanding of the current unit of work: How do we find out about the past?

During their visit, children will be given the opportunity to walk through hidden rooms and discover the stories locked in the WWII bunker that protected the tactics of the British Armed Forces plotting to defend the Western Approaches and aid the Allied victory. They will be given a glimpse of the documents and tools the Forces used to monitor enemy convoys and inform the British government of their findings, whilst keeping their intelligence secret from the enemy, including one of only two surviving wartime phones which had a direct connection to the London War Cabinet.

This is unique experience for our children which we know they will both enjoy and learn lots from.

Children will travel by train to and from Liverpool and they will have lunch at the museum. Your child will need a packed lunch. Children who receive a free school meal will receive a school packed lunch.

Your child should come to school dressed in their full school uniform with a warm waterproof coat and suitable walking shoes.

For this trip to go ahead, we would kindly ask for a voluntary contribution of £5.00 to cover the cost of the train fare and entrance fee. Please provide consent and payment via ParentPay.

Yours sincerely,

Mr L Thomas
Year 6 Class Teacher
