EASTWAY IS GOING CASHLESS

Dear Parents/Carers,

We are finding that it is becoming increasingly difficult to manage money coming into school and have decided that after the Easter break we will no longer be able to accept cash payments for lunches, school visits, extended hours or after school clubs (you will still be able to pay cash for toast club).

If you have never logged onto ParentPay or set up an account, we will be sending login details home with your child separately next week.

Also to support parents/carers to make the transition from cash to ParentPay we will have a member of staff available in the Oasis Room in the Family Centre to help you get started - dates and times will be confirmed in next weeks Newsletter.

If you would like to start using ParentPay before Easter then please do so once you have received your login details.

Many Thanks,

Emily Morris
