Year 4	97.20%
Year 5	100%
Year 6	95.60%
SCD1	100%
SCD2	95%

So proud of the Eastway Team this week. We had a visit from a National Leader in Education, he spoke to parents, staff, governors and children. He observed lessons and spent a full day with us to see how the school is doing and what it is like to be part of the Eastway Community. He was so impressed by our amazing children and the wonderful work that they are producing. Thanks again to the parents group who spoke so highly of our school and shared all the positives from this year so far. Sincere thanks to all the staff who work tirelessly in providing such amazing experiences and learning opportunities for all our children, it was a pleasure to see all the effort recognised and receive the praise you all deserve. Well done Eastway!

Attend Today, Achieve Tomorrow.

Easter Service

We look forward to welcoming all parents and carers to our Easter Service next Thursday morning at 9.30am at the Methodist Church in Moreton. It is the first time we will have been to church to celebrate together, and we hope that you will enjoy it.

Parents Class Rep Meeting

After the Easter Service on Thursday, we will be meeting our Parent Class Representatives. We will be talking about the success so far this year and what our parents, carers and community would like to focus on next. If you have any feedback, or anything that you would like raising at the meeting, please speak to your class rep. Further information is available on our School Website.

NSPCC Visit to School

Next Tuesday 27th March, we are very lucky to have a visit from the NSPCC. They are presenting a whole school assembly on the work that they do and class workshops on keeping themselves safe. We look forward to sharing this with you.

Uniform Reminder

We have received fantastic feedback regarding the raised expectations in uniform at Eastway. Thank you so much to all the parents and carers for your continued support with this, the children are looking so smart and it is having a positive impact in school. Please note that trainers are NOT part of our school uniform. If you have any concerns regarding uniform or providing uniform, please let us know or visit F.U.P.S (Free Uniform for Primary Schools) in Moreton, for more information visit <https://www.wirralfuss.co.uk/wirral-f-u-p-s-free-uniform-for-primary-school/> You can also donate any uniform you no longer require.

Heads Together - Mentally Healthy Schools

This week saw the launch of the website www.mentallyhealthyschools.org.uk from the Heads Together Charity fronted by The Duchess of Cambridge. We are using a range of strategies in school to promote mental health and wellbeing. This website offers fantastic advice and guidance on raising awareness of mental health and provides practical and reliable resources for our staff to be able to support our work with children in school. If you would like further information, please speak to our Mental Health and Wellbeing Lead, our Deputy, Mrs Jones.

Love

Each half term we have a Value that we focus on and each week is launched with a new theme in our Monday Values Assembly. Our Value for this half term has been Love, this week we have been focusing on self-esteem and love for ourselves. The children have been taking selfies and reflecting on what they love about themselves. Pop in and see our #LoveOurSelfie display outside the school hall.

ADHD Foundation

We are extremely lucky to have secured the ADHD Foundation to be working with our school. They provide a range of services and many of our pupils, staff members and families are benefiting from their expertise and support. Mrs Brodie will be writing to share more information about our partnership work and some parent/ carer workshops that are coming up on issues that you have asked for support with such as managing challenging behaviour and understanding of ADHD and Autism. We hope that you will find them useful.

Healthy Snacking

We have introduced Snack Swap in school and have been completing work with the children based on the Change4Life guidance on making good snack choices. We are sending home a Family Snack Challenge leaflet today so you can work through this at home with your children.

Clubs

Just to remind you, there are no clubs next week, and will start back the week after we come back after Easter, w/c 23rd April.

Club letters and booking instructions will be coming home next week with your child so please make sure you have activated your ParentPay account to enable you to book your child a place on any clubs.

By now you should all have received a letter with your login details for ParentPay (if you haven't please contact the office). Next week we will have 2 drop in sessions in the Family Centre, where we will have iPads available and someone on hand to offer assistance on setting up your account and to answer any questions you may have about the school going cashless.
