Information about us!

Hello, we are your new School Council. Our classes voted for us to represent them. Here is a letter explaining more about what we do.
From School Council ☺

Who we are.

Each class votes for a representative to become their School Councillor. This introduces the children to democracy. It is so important that our children have a voice, are involved in decision making and supporting the leadership team to review what is going well in school and what improvements to make.

Our School Council have led many projects including getting new toilets across school, artificial grass on the KS2 MUGA (Multi Activity Games Area), School Swimming Pool and a Climbing Wall on KS1 Playground. We meet once a month with Mrs Morris, our Headteacher and share all our ideas from our classes and make big decisions and plan fun things. We can't wait to see what we will do this year!

What we do.

We meet every month but before we do, we hold a Class Council. In this meeting in our own class, we talk about a topic that we are interested in and take suggestions and feedback for our group to discuss with the leadership of our school.

On the next page are the dates of our meetings and what we will be focusing on as well as the charity and fun days in school we support and raise money for.
