Dear parents/carers,

COVID19 Update and Local Restrictions

Yesterday (Thursday 1st October) the government announced new local restrictions for Merseyside, in a bid to tackle the current rise in COVID-19 cases. These changes, although reported as Liverpool City Region, do include Wirral. We must all play our part, take this seriously and do all we can.

Although COVID-secure schools and existing childcare guidelines are not affected at this time, we have reviewed what we currently do in school to take extra precautions at this time.

As it clearly states that households must not mix, we are asking that only one parent/ carer collects their child from school each day and that parents/ carers are not allowed to collect children from school from other households.

If you are providing casual childcare, this **MUST** be restricted to one household only and school must be informed that this is happening.

There are some detailed [question and answers regarding the restrictions on the council website](#).

We must do all that we can to stop the rapid spread of this virus in our region and protect our community.

Have a lovely weekend.

Mrs Emily Morris
