Year 1 Phonics workshop

Dear Parents,

Phonics is one of the most important areas of the Year 1 curriculum and therefore it is important that you know what your child is expected to achieve during the year. In the workshop you will learn about what is taught during the daily phonics lessons, how to help at home with your child's phonics development and gain a list of key resources that can be used to help phonics progress.

We will also be discussing the **Phonics Screening Check** that your child will take in June 2019.

The workshop will take place on **Monday 25th February at 2.30pm (lasting approx. 30 minutes)**. Unfortunately, we are unable to accommodate younger children during the workshop.

Many thanks,

Mrs Billington
