Tuesday 10<sup>th</sup> May

### Key Stage 1 Assessments

Dear Year 2 Families,

As previously shared at the Meet the Teacher evening, it is coming up to the time of the year when Year 2 children will be assessed as they come to the end of their Key Stage 1 learning journey.

These will start from Monday 16<sup>th</sup> May and take place over two weeks. It is important that your child attends school every day, on time and ready to learn.

Your children may not even know that they are doing tests! We keep it very relaxed and close to what they would normally be doing in class and with seating and adults that they are used to.

Our teachers know your children best and what they are capable of, they use these tests to help them to understand what your children have learned and remembered. They will use what they know about your children, how they perform in class and lessons throughout the year, their completed work in their books etc.

Miss Dalby is very experienced in leading these tests in school and with such young children. Our children flourish with the opportunity to shine and show us what they can do. We take pride as a school on developing our children beyond reading, writing and maths and celebrate every child regardless of their ability to perform in tests! They are loved, nurtured and exposed to a wide range of learning and social experiences both inside and outside the classroom.

The results of these end of Key Stage Assessments will be sent home with your child's end of year report. If you have any questions, please do talk to us and let us know how we can support and reassure you.

Yours sincerely,

Mrs Morris
