Year 4 Multiplication Family Workshops

Dear Parents/Carers,

I am delighted to be able to welcome you into school on Friday 9th May to attend our Family Workshop in preparation for the Multiplication Tables Check (MTC) our Year 4 children will be sitting in June. The session will start at 1:30pm and will end around 3pm.

During this workshop, we will be exploring the MTC and what it will look like for the children as well as giving you strategies to support them at home. The children will join us half way through to play some times tables games and challenges in the hall and give you some home learning ideas.

Please arrive at the Main Office via Gate C where you'll be asked to sign in and taken into the event. Please complete the below reply slip and return it to the school office via your child's class teacher.

I look forward to welcoming you!

Mr Saunderson
Assistant Headteacher
